Live life your way

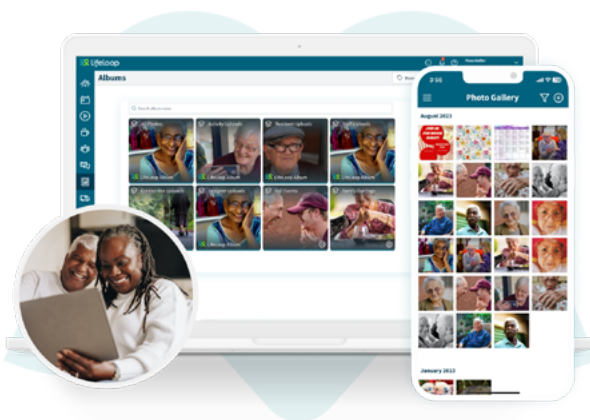

Our community is proud to offer LifeLoop, a user-friendly platform that enhances your senior living experience and lets you take charge of your day. Easily view community calendars and register for upcoming activities, submit transportation or maintenance requests, and stay connected to your family, friends, and the world around you.

Manage your days your way

The easy-to-use LifeLoop app is available on your smartphone or tablet, so you can plan your daily activities, stay connected to family and friends, and access tools designed to enhance your senior living experience.

Stay in the loop

Never miss your favorite activities, meals, or the latest news. View community calendars, register for upcoming activities, and get automated reminders. Everything you need to know, all at your fingertips.

Share the moments that matter

Easily exchange messages, photos, or videos with your family members and connections so you can share all the special moments from anywhere.

Take control of your day-to-day

Get where you need to go with simple transportation requests via the mobile app. You can also quickly submit maintenance requests and get progress updates.*

Our easy-to-navigate app puts everything you need right at your fingertips

LifeLoop's personalized Resident Portal makes staying engaged and connected with who and what you love simple. With easy and secure messaging, community calendars, activity and meal reminders, and photo sharing, you have convenient access to everything you need.

Resident portal

Access your registered activities, connections, photos, and messages all in one place.

Register for activities

Quickly view, register, and get reminders for activities, meals, and community programs.

Communication

Stay in touch with your family and friends with secure messaging.

Photo sharing

Capture and share the moments that make life wonderful, connecting friends and family.

Transportation requests

Schedule reliable and worry-free rides for appointments, shopping, and more directly from the app.*

Maintenance requests

Easily submit and manage maintenance requests.*

Menus

Never miss your favorite meals and know what culinary choices are available with daily and weekly menus.*

My community decided that LifeLoop would be the way of scheduling our every day. I use LifeLoop for my calendar, transportation, repair services, and meals! A goal of mine has always been to have a speaking part in the rest of my life. LifeLoop has made that possible.

Barbara, Resident
