## CONTENT CATEGORIES

### **SPOTLIGHT**

View recently used content, the six most popular items, and newly released content in one place.

### **LISTEN**

Choose from curated music playlists on the Jukebox or sing along with a crowd favorite sing along. Jukebox music can even be layered with games in the Play category that have little to no sound such as Car Park or Paint by Numbers.

### **WATCH**

Choose from an extensive library of classic shows and movies, educational documentaries, exercise classes, resident engagement videos and more on Saltbox TV. Enjoy live webcams of animals then laugh along with funny video collections. All of these options are great for providing redirection, resident engagement and for group gatherings.

### **PLAY**

A variety of games for cognitive goals wrapped in fun for both one on one or small group activities. Bingo also provides a caller to help free up staff when needed.

## CONTENT CATEGORIES

### TRAVEL

Walk, drive or fly in a virtual vacation through several cities around the globe or explore different monuments around the world. Trial other travel experiences such as the city guessing game, view slideshows of popular tourist attractions, or travel trivia knowledge.

### REMINISCE

Take a trip back in time and enjoy videos of popular pastimes that can be perfect for redirection and conversation starters.

### LEARN

Explore endless engaging content including diverse topics within history, sports, art, animals and much more. The "Let's Talk" section can be used for spontaneous recreation and helps staff get to know residents. "Of the Day" section offers websites that are great for discussions and is updated daily.
