Overview and location

Guided travel

80+ local, vetted tour guides from cities all over the world providing 100+ live-streamed, interactive outdoor city walks. Each tour includes trip kits with custom travel activities for each location.

Benefits

Live-streamed, two-way chats to stimulate conversation and authentic, unscripted tours to encourage curiosity. Each tour includes one-hour travel "walks" and talks to promote connections.

Products and pricing tiers

Available on all products as a high impact content add-on.

Welcome to Travel Tuesdays!

Wowzitude's Award-Winning Travel Club, designed for armchair travelers, takes your community on **LIVE, guided virtual walks around the world, twice each week**, from the comfort and safety of residences or community rooms.

As part of your iN2L + LifeLoop content subscription, you are automatically registered for all of the live-streamed, virtual guided tours listed below. **Please feel free to join as many of them as you like!**

Tour recordings are available each Wednesday (for 24 hours) after guided tours take place. For more info, check out the **trip kits** and **promotional flyers** which can be found on the **iN2L Help Center** or by clicking on the links below.

FAQs

How many people can attend a tour?

There is no limit to the amount of people that can attend a tour.

How is this different from Virtual Vacation?

Virtual Vacation consists of pre-recorded tours and videos, and the user can choose where they want to go at any given time. Wowzitude provides live-streamed tours at a set time, with a real tour guide who is able to interact and answer questions with the audience.

What is included in the trip kits?

Trip kits include items such as recipes, maps, music, book and movie recommendations, and more.

Why is Wowzitude not showing on my content?

Wowzitude is only available as a high impact content add-on. Check with your Customer Success Manager for details.

Resources

Video QR codes

How to scan QR codes

Open the camera app on a mobile device. Hold the device so the entire QR code is visible in the camera frame (you don't need to take a picture). Once the QR code has been read, a notification will appear at the top of your screen.
