

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

How setup video displays on a FireTV

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

STEP 1

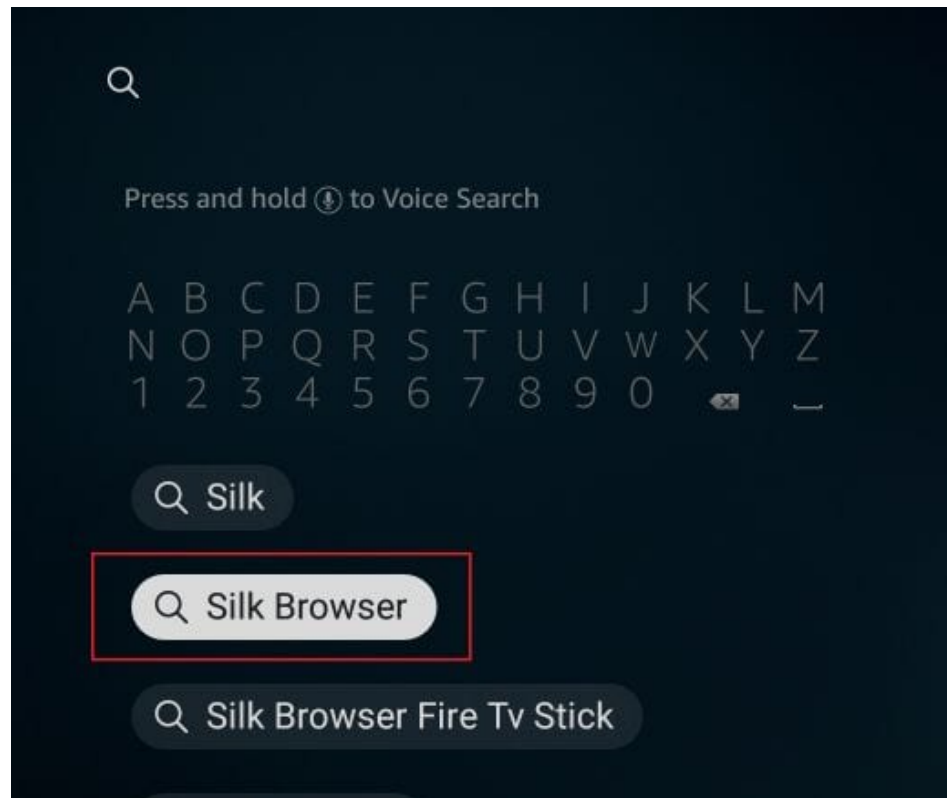

Choose Find and Search on your Fire TV home screen.

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

STEP 2

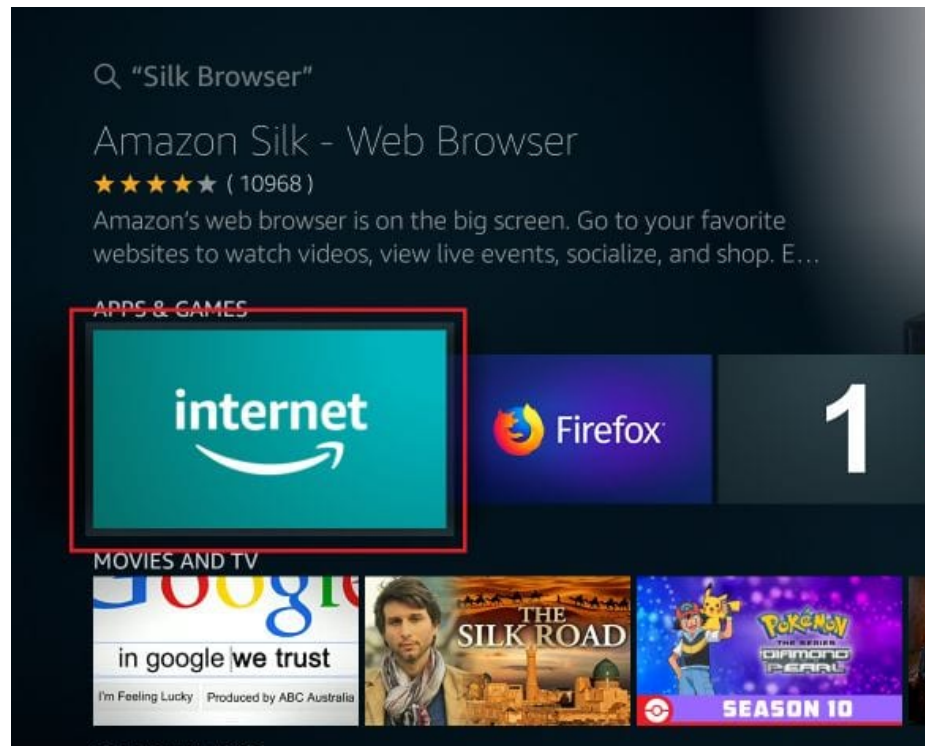

Type "Silk Browser" into the search bar and select.

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

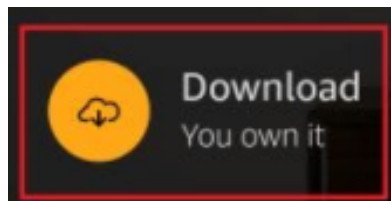

STEP 3

Click the green Amazon Internet Icon.

STEP 4

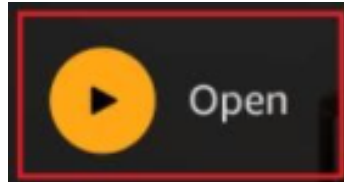

Click "Get/Download" and wait for the browser to download and install

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

STEP 5

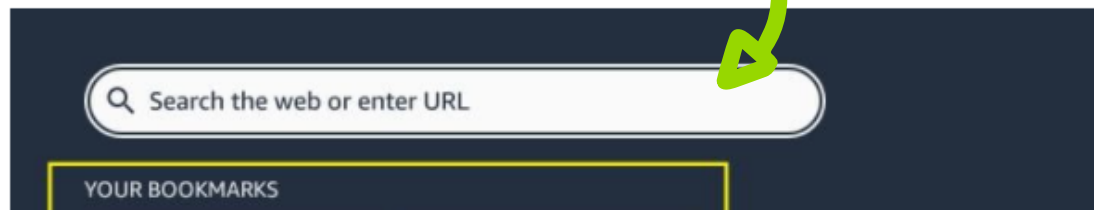

Click Open to access the installed browser.

STEP 6

Within the search bar, enter your community display URL, formatted as seen below.

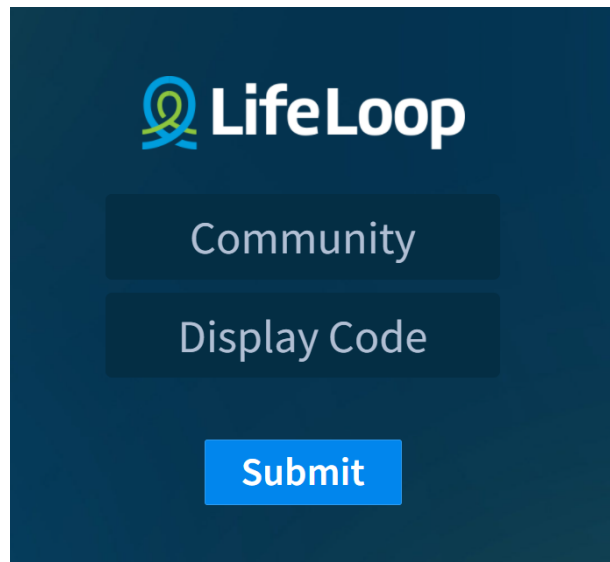

LifeLoopApp.com/**YourURL**/Displays

CONNECTING YOUR VIDEO DISPLAY TO YOUR FIRETV

STEP 7

Once you are at the displays URL submit your Community and Display Code, as found in LifeLoop, and click Submit.

A dark blue rectangular form with the LifeLoop logo at the top. Below the logo are two input fields: "Community" and "Display Code". At the bottom is a blue "Submit" button.

LifeLoop

Community

Display Code

Submit

Reminder: You can find your Community and Display Code at the top of your display in the Displays tab on the web. Or in the LifeLoop Mobile App within the displays tab.

LifeLoop IL Display
