

Frequently Asked Questions

Who would benefit the most from these courses?

Ideal for staff with limited or no prior experience with LifeLoop, including new staff, communities new to LifeLoop, users who were not previously utilizing LifeLoop, and those who would benefit from a refresher.

What topics do these courses cover?

These courses comprehensively cover all the features of LifeLoop, presented in easily understandable modules.

When are these courses conducted?

The initial course will consistently begin on the first Thursday of every month. Subsequently, Course 2 will commence on the following Thursday, and this sequence will continue. However, Course 4 will start on the Tuesday that follows Course 3.

What if I am unable to attend the designated time?

Not to worry! We will send a follow-up email to all registered participants with a recording of the session.

Are there any fees to attend beginner courses?

No, these courses are free of charge!

What is the duration of each course?

Most courses are designed to be completed in under an hour to accommodate your busy schedule.
