FAQs

What is the difference between MusicFirst, CARE Radio, and Singalong?

MusicFirst is therapeutic and outcome-based. CARE Radio is entertainment-based with 50+ stations/genres with the option to select morning, midday, and evening. Singalong is comparable to karaoke.

What religions are represented in FaithFirst?

General spirituality, Christianity, Catholicism, Judaism, Buddhism, Islam and Native American.

Will the music be available on jukebox or displays?

At this time, CARE Radio Stations are not available in LifeLoop displays or Jukebox player.

Resources

Video QR codes

How to scan QR codes

Open the camera app on a mobile device. Hold the device so the entire QR code is visible in the camera frame (you don't need to take a picture). Once the QR code has been read, a notification will appear at the top of your screen.

FaithFirst

MusicFirst, CARE Radio, and Singalong

Continued learning

Visit the Learning Community

Access LifeLoop marketing collateral and training resources at your convenience. Find the Learning Community by clicking the "?" on the top right-hand side of your screen or going to <https://training.lifeloop.com/training/staff>.

Attend a University course

Don't forget about our complimentary LifeLoop University available to you and your team. Courses are provided weekly and cover all LifeLoop features. Emails with the topics and schedules are sent out monthly for you to register to attend.
