# Overview

## **Professors chosen from top tier universities**

Based on an individual's background, medical conditions, and music preferences, this patented technology dynamically selects and sequences songs to support desired health outcomes.

## **Educational resource to promote lifelong learning**

One Day University includes over 700 talks in the video library (and growing) on subjects such as history, psychology, arts, science, and lifestyle/wellness. New talks are featured each week ranging from 45 min to 1 hour.

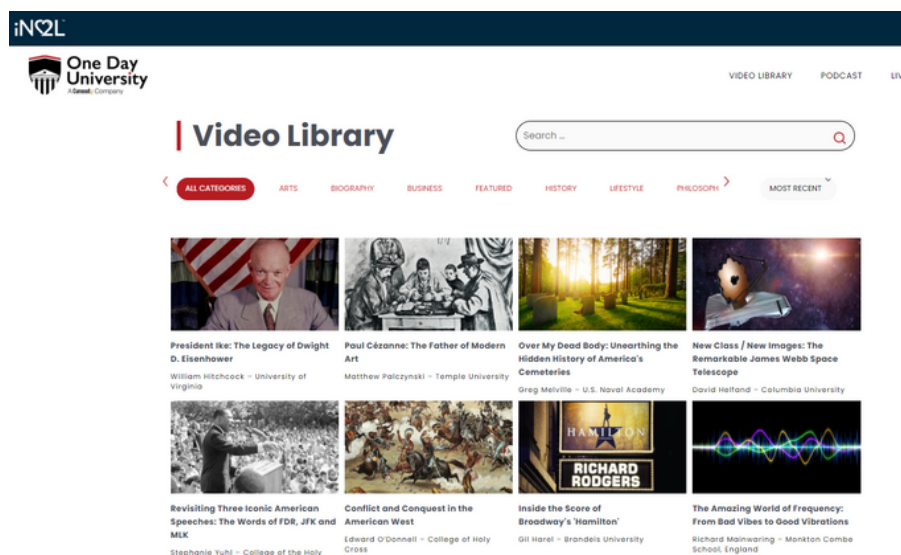

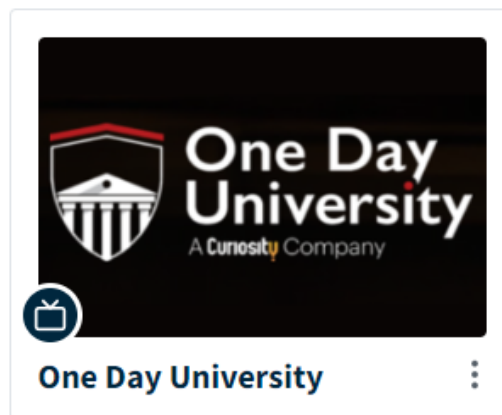

# Location and pricing tiers

## Location in content

Learn > One Day University

## Products and pricing tiers

Available on all products as a high impact content add-on.

## FAQs

### **What professors does One Day U work with?**

One Day University professors hail from the country's most prestigious universities, including; Harvard, Yale, Berkeley, Columbia, Stanford and many others. All of the professors we work with are award-winning teachers who are recognized by their students and peers for their ability to inspire and engage.

### **Are talks live or on demand?**

All talks are on-demand videos that are searchable by topic.

### **Why is One Day University not showing up in my content?**

One Day University is only available as a high impact content add-on. Check with your Customer Success Manager for details.

# Resources

## Video QR Codes

### How to Scan QR Codes

Open the camera app on a mobile device. Hold the device so the entire QR code is visible in the camera frame (you don't need to take a picture). Once the QR code has been read, a notification will appear at the top of your screen.

## One Day U

# Continued Learning

## Visit the Learning Community

Access LifeLoop marketing collateral and training resources at your convenience. Find the Learning Community by clicking the "?" on the top right-hand side of your screen or going to <https://training.lifeloop.com/training/staff>.

## Attend a University Course

Don't forget about our complimentary LifeLoop University available to you and your team. Courses are provided weekly and cover all LifeLoop features. Emails with the topics and schedules are sent out monthly for you to register to attend.
