VIDEO DISPLAY SETUP

ADDING A VIDEO TO A DISPLAY

STEP 1

Go to **Displays** at the bottom of the feature list.

STEP 2

Select the display by clicking on it.

Main Lobby Display
Welcome to LifeLoop

Assisted Living Premium
Updated 06/06/2023

Note: If you do not have an existing display and would like to learn how to set up your display, please refer to the Display Setup Instructions document on the Learning Community.

VIDEO DISPLAY SETUP

ADDING A VIDEO TO A DISPLAY

STEP 3

Click on **+ Insert New Content**.

Main Content

No Main Content Selected

⊕ Insert New Content

STEP 4

Select **Video** from the content options.

Insert Content ✕

Select Content Type (required)

LifeLoop Designer Project
Show your design chops →

Google Slides
Use a published google slides url →

Video
Use a video link to stream video →

STEP 5

Paste the video URL into the Video URL box.

← **Edit Content**   ✕

Video URL

https://www.youtube.com/watch?v=JW5KkDSdt8w

Is Fullscreen

☑ Slide will be displayed in fullscreen

Content Schedule

Setup Recurrence

Time Schedule

Start Time	EndTime

ⓘ *Start time and end time are optional.
Default schedule plays all day.*

ⓘ *Video slides are not supported on all devices.* *Learn More*

Note: *All video sources must be public in order for the video to play on a display.*

VIDEO DISPLAY SETUP

ADDING A VIDEO TO A DISPLAY

STEP 6

Utilize the checkbox to determine whether the slideshow or video content will be displayed in fullscreen view.

VIDEO DISPLAY SETUP

ADDING A VIDEO TO A DISPLAY

STEP 7

To setup a recurring pattern for a project, select **Setup Recurrence**. Recurring patterns provide the ability to schedule slideshows and videos on certain days of the week, once a month, the first Monday of the month etc.

> Setup Recurrence

STEP 8

Once the recurring pattern is set up, click **Apply Changes** on the bottom right-hand side of the screen.

> Apply Changes

STEP 9

To schedule a specific time for the video to play, enter the **Start Time** and **End Time** in the respective fields.

Note: *Start Time and End Time are optional. Default schedule plays all day. If no time is provided, it will play all day.*

STEP 10

Click **Insert Content** on the bottom right-hand side of the insert content form.
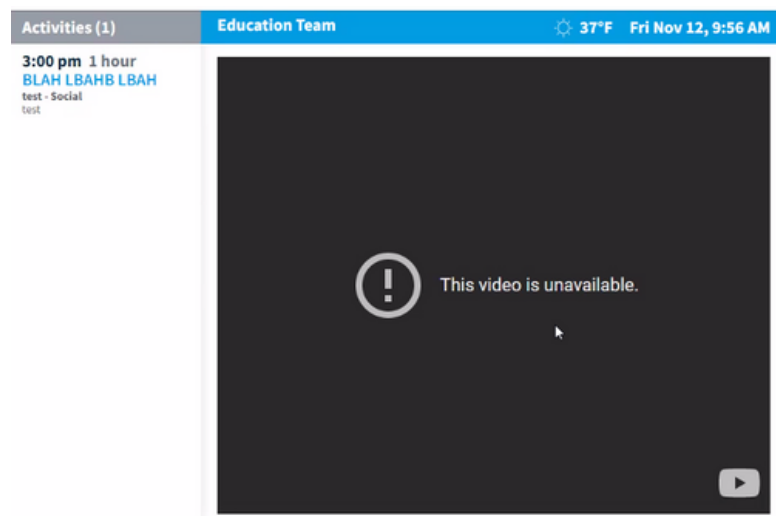

> Insert Content

VIDEO DISPLAY SETUP
ADDING A VIDEO TO A DISPLAY

STEP 11

The Video will appear within the main content list.

Note: *If the video is the only content on the list, the video will play on a continuous loop. If there is additional content such as additional videos or slideshows on the main content list, the video will play in full, rotate to the next content on the list and then loop back to the video once all content has been displayed. If the video is appearing "Unavailable" like the image below, please check the URL is correct and the video is still active.*
