ADDING A VIDEO TO A DISPLAY

STEP 5

Paste the video URL into the Video URL box.

← **Edit Content**   ✕

Video URL

https://www.youtube.com/watch?v=JW5KkDSdt8w&t=21s

Content Schedule

Setup Recurrence

Time Schedule

Start Time   EndTime

⊙ *Start time and end time are optional.*
  Default schedule plays all day.

⊙ *Video slides are not supported on all devices.* *Learn More*

STEP 6

To setup a recurring pattern, click on **Setup Recurrence.**
Recurring patterns provide the ability to schedule slideshows
and videos on certain days of the week, once a month, the
first Monday of the month etc.

Setup Recurrence

STEP 7

Once the recurring pattern is set up, click **Apply Changes** on
the bottom right-hand side of the screen.

VIDEO DISPLAY SETUP

ADDING A VIDEO TO A DISPLAY

STEP 7

To schedule a specific time for the video to play, enter the **Start Time** and **End Time** in the respective fields.

Note: *Start Time and End Time are optional. Default schedule plays all day. If no time is provided, it will play all day.*

STEP 8

Click **Insert Content** on the bottom right-hand side of the insert content form.

**Insert Content**

VIDEO DISPLAY SETUP
ADDING A VIDEO TO A DISPLAY

STEP 9

The Video will appear within the main content list.

Note: If the video is the only content on the list, the video will play on a continuous loop. If there is additional content such as additional videos or slideshows on the main content list, the video will play in full, rotate to the next content on the list and then loop back to the video once all content has been displayed. If the video is appearing "Unavailable" like the image below, please check the URL is correct and the video is still active.
